

**Student Health Services**  
College of Charleston

**Telephone:** (843)953-5520  
**Fax:** (843) 953-6377

**Location:** 181 Calhoun Street, Charleston, South Carolina 29424  
directly behind the Robert Scott Smalls Library

**Hours of Operation:** Monday – Friday 8:30 am - 5:00 pm

All registered students at the College of Charleston, including undergraduate and graduate students and eligible to utilize the health services including tetanus shots, minor stitches. Although health services do not include the services listed below, they can provide referrals for advanced care.

Students staying in the Charleston area over summer but not taking classes may continue to utilize clinic services by paying a Summer Health Services fee. Please refer the student health services for [details](#) about this service.

Student Health Services cannot see students after graduation. However, the Student Health Services staff can provide information about medical care in the community for those students who need it.
